

Video Examinations for the Police Investigator

Oklahoma City, OK | Mar. 14-15, 2019 | 8:00am - 5:00pm

The most prolific source of evidence available to investigators comes from video images—but how prepared are your officers?

This dynamic hands-on course directs investigators through the process of recovering valuable evidence from video images.

Specialized investigative techniques explore the hidden details and metadata in video files that are critical to Use of Force, Speed Estimation, Violent Crimes, and Identification cases.

From the crime scene to the courtroom, this two day class prepares investigators to get the most from their video evidence.
